I was invited but was told that they wanted to address mostly NPDES and RCRA exemption issues - and that an agenda was forthcoming (I was holding off accepting until I saw the agenda). It looks like they now want to discuss Dimock. I figured we can discuss at the 8:30. Bill's Enforcement Prep meeting is at the same time (as is the DD prep for the Shawn MS meeting tomorrow).

Hi Kathy - Here is the notification notice EPA received from GAO related to hydraulic fracturing. Karen Melvin attended a preliminary meeting related to this assignment. Let me know if you have any questions.
